

## SANTA CLAUS

## Announcement....

With the compliments of the season to all our readers, we ask you the question of the hour--WHAT ABOUT CHRISTMAS? The children are asking it with wondering and hopeful expectations of what Santa Claus is likely to bring them. The older people are asking it, not so much in speculation regarding the remembrances that Christmas will bring to them, but rather as an inquiry as to how they are to provide suitable and satisfactory presents for relatives and friends without too heavy a drain upon their time and purse. May we help you to solve the problem and put you in the way of doing your Christmas shopping with pleasure, satisfaction and economy? Our Holiday Stock this season, is a marvel of beauty and elegance; its new features are innumerable, and its variety almost unlimited. We are offering a stock that will meet the wants of everybody. High priced presents, low priced presents, useful, ornamental, practical or pretty; remember we have the best of the kind--and all kinds. We offer the advantage of selection that can only be found in an extensive showing of first-class Holiday Goods. New novelties are everywhere, and the latest and best of everything is the predominating feature of our display for the Christmas season of 1918. We take the liberty of making a suggestion regarding the best time to do your Christmas Shopping, and earnestly urge you to do it AT ONCE. There is much to lose and nothing to gain by waiting. Come early while the pick is the choicest, avoid the crowd and make your selections at leisure and in comfort, from a full and complete assortment. We know that a visit will convince you that we offer more and better inducements in quality, variety and reasonable prices than you can find elsewhere. We take pleasure in pleasing customers and will do all that lies in our power to help you to just the right article at the right price, so that you may leave our store glad that you came, and perfectly satisfied with your purchases in every respect. We extend a cordial invitation to all to come in and see our brilliant array of Holiday Goods, without feeling that the slightest obligation to purchase is incurred. Monday was an unusually spring-like day for the 9th of December and the thaw brought the mud to the surface. Tuesday's freeze-up converted the roads into hard, rough ruts and a strong sharp wind blew from the south. Towards night a heavy, sleeting rain set in and thunder and lightning filled the air for a time. Wednesday morning everything was ice covered.

Sheriff Windsor and Deputy Maines were in Yale Monday night and arrested Walter Grant and Wm. Parker, of Melvin. It seems these two young lads have been making a nice business of appropriating robes, blankets and other articles from the 10c Feed Barn, which they have been disposing of to second-hand stores in Port Huron. This is the first case of wholesale robbery in Yale for some years, and we hope it will be the last.

The local board of health has received notice from the State Board that all cases of influenza must be strictly quarantined. In addition to placarding the houses where the disease exists, no one except regular attendants must enter the house. Breaking of the quarantine is a violation of the State Law. From now on the board will enforce the quarantine order to the letter in order to try and stamp out the disease.

## Here's Help

MANY bed-ridden sufferers from backache and rheumatic pains owe their condition to the fact that they neglected the first warning of kidney trouble.

Prompt action at the first sign of disordered kidneys will prevent much suffering. Keep the blood stream pure by keeping the kidneys healthy and the poisonous waste matter that causes pain and misery will be eliminated from the system.

## Foley Kidney Pills

have brought relief to thousands of suffering men and women who were afflicted with backache, rheumatic pains, stiff or swollen joints, sore muscles, dizziness, puffiness under eyes, floating specks, biliousness, bladder weakness, loss of appetite or other symptoms of kidney trouble.

Mrs. Sam C. Small, Clayton, N. M., writes: "In January I was taken bad with my kidneys and bladder. I had been in bed two months, but kept getting worse. I then I got so bad something had to be done. We ordered an advertisement in the Clayton News for Foley Kidney Pills and we sent for some. They have done me more good than all the medicine I have taken. I am better than I have been for years."

## The One-Fourth Off Suit Sale Is Bringing Women Daily

to the Higer Women's Shop. For such a reduction as this before Christmas is unusual to say the least. The suits are mostly warm Winter models in the very latest of the approved suit fashions. The fashions are rich in weaves and coloring,—the coats are long and many of them trimmed with luxurious furs at the throat, wrists and around the bottom—and the skirts are slightly narrower and worn longer. Exclusive styles are here in a wonderful assortment, in most cases only one of a style being shown. Such suits bought now are good not only for this Winter's wear but for the next as well. Suits were originally sold at \$15 and up to \$100.

## Fur at Your Throat and Wrists in New Winter Coats

And it's such a comfort to hide your chin and hands from the cold winter wind that will soon be here. There are literally scores of exclusive models in wonderfully rich and warm new fabrics, many of them sufficiently beautiful and warm in themselves without the fur trimmings. The colors alone are very enticing and add much to these newest modes of Dame Fashion. There are coats here, from \$15 to \$200.

## Jewelry and Coal

You have always tried to put in coal when the price was bottom; now you take it when you can get it. The same is true with other goods; but we're lucky; we've got lots of Holiday Goods--

And the price is up just as little as possible.

The decent way in a rising market is to give all we can as long as we can, and take as we must when we must. You and we are in the same boat. Let us show you we are on our customers' side. We needn't say much about it. "Actions speak louder than words."
